

ERKA. TEST

SELF-MONITORING AND RELIABILITY PERFECTED

Based on the ERKA. Perfect Aneroid for decades the standard in blood pressure measurement - the Erkatest was designed as the premium device for home self-monitoring. The use of high quality materials, the modern double tube technology and the shock-resistant construction suitable for everyday use make the Erkatest a blood pressure monitor in a class of its own. Maximum accuracy combined with the highest level of user comfort guarantee clinically accurate results even at home.
